Health Guarantee:

- **Spay/Neuter Clause:** Reading through the health guarantee contract is required to reserve a puppy. All Cavapoo puppies must be neutered/spayed by 8 months. A signed spay/neuter agreement is required at the time of pick up.
- **Rehoming Policy:** Please contact us if you need to rehome your puppy. We require that the puppy not be surrendered to a rescue or shelter without our prior consent.

Selecting a Puppy:

- If you choose to pass on a litter, you will remain on our waitlist. However, any subsequent reservation will be subject to the current price at that time. Once you reserve a specific puppy, the \$300 deposit is no longer refundable or transferable.

Preparing for Puppy:

- We encourage you to prepare for your puppy by ensuring that all family members are informed and in agreement regarding the puppy's care. We recommend the Baxter & Bella online training program, which offers a 25% discount with code MYCAVAPOOS.

Pick Up:

- Puppies are ready for pick up at 8 weeks of age. Pick up dates will be scheduled once puppies are born. Puppies must be picked up on the scheduled date. We do not hold puppies beyond this date. If you anticipate any conflicts with the pick-up date, please inform us immediately as you may need to wait for a future litter.

Final Payment:

- Final payment is due by 7 weeks of age and can be made via personal check or Zelle. The health guarantee/contract will be signed by both parties (My Cavapoos and Buyer) at the time of pick up.

Cancellation Policy:

- In accordance with Washington State law, we reserve the right to cancel the sale and return the deposit if we determine that the prospective owner is not a suitable match for our puppy or program. This ensures that our puppies are placed in homes that align with our values and standards.
