Health Guarantee: All of our cavapoo puppies are sold with a spay/neuter clause in the health guarantee/contract and it must be signed at pick up. Our cavapoo puppies must be neutered/spayed by 8 months. We also ask that you contact us if you ever need to rehome your puppy.

Selecting A Puppy: Should you elect to pass on a litter, you can continue to stay on our list until you find the puppy you are ready; however, if price changes after you pass, the new price will apply to the puppy you then reserve.

Preparing For Puppy: We ask that you begin to prepare for a puppy whether this is your first time as a pet owner or if you have not had a puppy in a long time. It is ideal for everyone in the family to be on the same page regarding training and what to expect when the puppy arrives.

Pick Up: Puppies are ready to go home at 8 weeks of age. We set a pick up date once puppies are born and puppies must be pick up on the set date. We do not hold puppies past the pick up date as it is crucial for their bonding with their owners and easier transition. If you know ahead of time of any interference with the set date or planned vacation you may need to pass and wait for another litter unless you can change plans.

Final Payment: Final payment is due by the time the puppy is 7 weeks old and can be sent via personal check or Zelle. At the time of pick up, the health guarantee/contract will be signed by both parties (My Cavapoos and buyer).

By signing below, I acknowledge that I have read, understand and agree to uphold all of the details written above if I choose to reserve a puppy:
