Dinner Recap: Ryan did most of the shopping for the food at Sam's Club and that helped keep the food cost a little lower. Food turned out great. The waitresses did a great job and were very helpful. Ryan would like to purchase some half size pans for the Legion. He's going to do some research on pricing. Overall, it was a good turnout and went well.

Easter Egg Hunt: March 28th, 1pm - Sharon, Doug and Jim will be there for sure. BT4S will have baskets and books to give away. The PA system will work well for the announcing for the day.

Garage Sale Weekend: May 7-9th, Sharon will send link to Ryan to add this year's locations.

Bridge Fest: Ryan spoke with Don, the band man, and he's going to get back with Ryan with some options. Still considering Bingo in the afternoon. The Fire Department will be celebrating their 150th Anniversary with some activities.
