Street Dance: Went well, we had quite a few people in attendance. Line dancing went over really well. They were a fun group and stayed for the whole evening. The village didn't care for having Bridge Street closed and would like us to consider having it on Main St or at the Trailhead next time.

We will try to book the DJ we had for the Street Dance, Ryan will confirm and also request to see if the line dance ladies would be interested in coming back.
