- VI. Bridgefest: We powered through all the challenges for a great day! Gift cards for the DPW guys, plus Mitch and Derek and a McD's card for Becky at the Village office for their assistance in making Bridge Fest possible. Daniel relayed that he's heard a lot of positive things about the day. People heard a lot of positive things about the free wrist bands.
- VII. GNO: Kristy reported that it went well. Good feedback from the food vendors, they were busy. The new layout worked and we'll look at possibilities for next year. Vendors enjoyed their time and sales also. Ryan will set up an ad to run thanking the GNO sponsors and advertising Harvest Festival.
- VIII. Community Market: Last week was the last market of the year. It was well for the first year. There are some additional vendors that are already planning to attend next year. Kristy will look into possibly adding a flea market next year also.
- IX. Harvest Festival: October 28, many of the vendors from GNO want to be there. Ryan will get with Kara to have a poster made. Julie will talk with Tony about doing the hot dogs. Daniel said Cho may sponsor this. We want to look at spreading the trunks (or treat) out more this year to try to not get a line. We'd like to do the Touch a Truck again this year. We'd like to have a costume contest this year. We will get some teachers, staff members to be judges and offer prizes. \$100, \$50, and \$25 for prize amounts.
