

CREATING A COMPREHENSIVE SCHOOL COUNSELING PROGRAM

SUGGESTED IMPLEMENTATION CALENDAR (YEAR ONE)

DESCRIPTION

This document is to help schools and districts implement a comprehensive school counseling program aligned with the ASCA National Model. This is meant to be a step-by-step process, as outlined below. *Note: "Year One" does not mean it is only for first year school counselors. Instead, it is designed for year one of fully implementing a comprehensive school counseling program. If you have some components in place already, please adapt the calendar as needed for your situation.*
