Timechart History of the World by Edward Hull ISBN: 0-7607-6534-0
Timetables of History by Bernard Grun

Historical fiction draws the reader into an event. In the imagination, a reader enters past ages and countries around the world through the eyes of the story's characters. Through history one can examine men's lives and the choices they made and see the consequences of good and evil -- without having to pay the bitter prices charged for those lessons. As is true with all reading, the natural result will be growth of ideas and vocabulary!
