

Swimming Pool Adjustment Policy

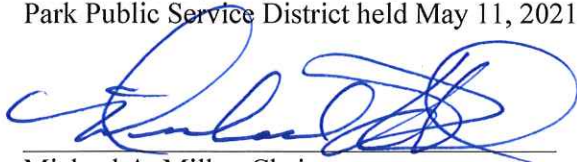

As per WV House Bill 2370, Article 13A. Exemptions for swimming pool

The purpose of this swimming pool adjustment policy is to provide the customer relief of sewer related charges when filling their privately owned swimming pools.

To receive an adjustment, the following conditions must be met:

- Contact the district office 30 days prior to filling the swimming pool
- Only applies if the water is not discharged into the sanitary sewer
- District personnel must inspect and verify dimensions of the pool
- Pool must be of a stationary design with a means of filtration
- Only one pool filling/partial filling will be credited per calendar year
- Customer account must be current (no past due balances)

This policy duly adopted by a quorum vote at the regularly scheduled board meeting of the Claywood Park Public Service District held May 11, 2021.
