

**Ferris State
University
Big Rapids, MI**

JUNE 19 – JUNE 22 2022

CYBER SECURITY ACADEMY CAMP

Join us for a fun and rewarding 3 days of cyber camp where you will learn what professionals and college students actually do as a cybersecurity analyst. Search through digital evidence to find clues that will solve the crime and find the suspects. Participate in a capture the flag game that will teach you aspects of cyber defense such as cryptology and password cracking. Experience what it is like to be a cyber investigator and defender through hands on tools and practice led by professors and current students in our nationally recognized cyber security program.

Students will be housed and provided meals in residence halls at Ferris State University. Chaperones will also be housed in the residence hall where students will be supervised while attending the camp.

\$409 Residence Hall, \$349 Commuter. Price includes materials and supplies, instruction, residence hall room (unless commuter), meals (breakfast is not included in the commuter plan).

For information and registration visit ferris.edu/summercamps or call 800-562-9130. Select “Cyber Security Academy”
