PanaBIOS Account Creation

The AU endorsed Trusted Traveler Program platform PanaBIOS hosts digitized end-to-end COVID-19 laboratory test results for travelers. A person intending to travel to an AU Country requiring a Trusted Travel-TTcertificate is expected to take a COVID-19 test from an approved laboratory.

Once the Result reports are released, the traveler will receive an email from admin@panabios.org with their Trusted Travel-TT- certificate as well as a prompt to create a PanaBIOS account.
