Such permission must be attached to the entry. The Directors reserve the right to refuse any entry without stating any reason and also to combine classes if the number of entries in any one class does not justify separate competition. Any judge will have the right to withhold awards if the quality of any entry does not merit an award. If there are less than three exhibitors involved in any group of classes, that group may be withdrawn. Animals must have been in the ownership of Exhibitors for 30 days prior to the show.
  2. A competitor may show more than one animal in any class and will be entitled to payment of all prizes gained. Any animal having won a prize at a previous show of the Society may again compete for prizes (specials or otherwise). Except where otherwise specially provided for no animal will be allowed to compete in more than one class.
  3. **Horses & Ponies - may now enter more than one section, although exhibitors must make a choice in the event that sections may run concurrently. Classes will not be held to facilitate a horse or pony already competing in a different section**

Any exhibitor contravening this rule will be liable in payment to the Society, the sum of £100 as and for liquidate damages. The Society shall have powers to appoint a qualified veterinary surgeon to examine and report on all or any animal exhibited and to act on such report without question as they may think proper.
  7. The Society shall not be liable for any loss or damage to person or property which exhibitors or the general public may sustain at the Show or in transit to or from the Show nor for any loss suffered as a result of cancellation or abandonment of the Show due to inclement weather or an outbreak of infectious disease among stock in the area or any loss suffered as a result of regulations or other actions for the control of infectious disease.
  8. The arrangements for the Show will be conducted by a Committee of the Society and Conveners, and Members appointed by the Directors shall be in attendance on the Judges while the Judging is in progress. As soon as the Judges shall determine which entry or entries are, in their opinion, in the event of no challenge being made, entitled to Prizes, the attending members shall affix the Prize to same. No tickets so placed shall be removed unless by order of the Committee. If any Prize Ticket be removed the parties so offending shall be proceeded against as the Committee may appoint. All trophies are for annual competition. They will be insured by the Society and, on acceptance, winners will be required to sign for trophies.
  9. **Horses and Ponies.** All horses and ponies entered in classes with conditions as to height may be measured by the official veterinary surgeon before being judged except those with life certificates or annual certificates if under six years old, issued by the joint committee of Pony and Light Horse Societies, or in the case of Shetland Ponies with certificates issued by the Shetland Pony Society. These certificates must be produced to the official veterinary surgeon on request and the Society reserves the right to measure and if necessary disqualify any animal whether or not a certificate is produced. The attending members and the Sub-Committee will meet in the Secretary's Office in the Showyard at 1pm to dispose of any protests which may be lodged and the objectors must attend to support their protests.
