

Mount Ebal Memorial Association

1 May 2020

Dear Friends,

It is with regret that I announce that we will not meet on June 7, 2020 for our annual homecoming at Mt. Ebal. This decision was made after careful consideration of the current mandates in effect from the governor, and with the highest regard for the health and safety of our members. A decision about rescheduling the annual gathering for the fall will be made at a later date.

If you would like to make your contribution to the Mt. Ebal Memorial Association, please mail your check to:
