**John McEuen of the Legendary Nitty Gritty Dirt Band Comments.**

**Todd Taylor plays slow banjo licks? Writes songs with lyrics, and sings them? On his new release of *Six Guns* he does all that very well, and makes me wonder what took him so long to sing on a recording. It's about time, Todd! What other songs do you have that you are holding back on? Todd Taylor is now coming in to the world as more than 'just' a banjo picker, which he does amazingly, but as a singer/songwriter/producer of good recordings. I wish him well!**
