WORKFORCE TRAINING PROGRAMS

ONLINE PARAEDUCATOR TRAINING

Tues/Thurs ❖ 2:30-4:30 p.m. ❖ \$140 ❖ Oct. 6-Nov. 5

The Paraeducator course covers the skills needed to successfully work in the support of teachers and students in a classroom with a local school district. Major topics of study include English Language Arts, Mathematics, and Soft Skills.

Upon successful completion of the ETS paraeducator exam and/or local school district exam, the student will receive an industry recognized certificate from the Educational Testing Services (ETS) and/or adult school Certificate of Achievement that can be used to satisfy industry requirements for employment as a Paraeducator. ETS ParaPro certification exam available when Shelter In Place is over.
