

Notes for AEBG Data Alignment Team Meeting
Thursday, October 13, 2016
11am-12pm

Meeting Attendees:

Keith Moody, AEBG Data Group co-chair
Sharon Turner, AEBG Data Group co-chair
Joel Meyer, ASAP
David Ulate, FHDA
Aven Magana, FUHSD

Update on State/Regional data collection:

Meeting Materials

- [Agenda](#)
 - [Meeting PowerPoint](#)
 - [Participant list](#)
 - [DRAFT Data Consultant Scope of Work](#) handout
- All of the above also posted at baccc.net (meeting notes link)

Outcomes + Next Steps

- 58 participants joined representing 14 of the 16 Bay Region AE Consortia
- Updates were provided and next steps discussed related to the two strongest interests of this group to date: Co-investing in local data related work and participating in the Statewide AE Data LaunchBoard Tab pilot
- The group ratified Piedmont Unified School District as the Fiscal Agent for the local data effort (\$100K) - a huge thank you to Michael Brady and Shemila Johnson for your support on this front! [Participating Consortia](#) can expect to hear from PUSD regarding an invoice for your contributory amount
- All were asked to use the Scope of Work handout above to enlist strong candidates for the near future opening of an RFA for a local Data Consultant(s) to lead that work on our behalf
- Rock provided an overview of the Strong Workforce Program (SWP), with specific emphasis on the Regional Planning process
- Randy Tillery proposed we consider investing in Career Pathway collaboration since a) there is general consensus it makes little sense to develop specific career pathways independently across the region and b) to take advantage of the learning curve of the Career Advancement Academies and a \$75K technical assistance grant to help jumpstart this work
- There was definite interest in having a loud, participatory voice in the SWP Regional Planning process. To that end we identified and prioritized the following regional work initiatives (notes available [here](#)) we'd like to bring forward to the 10/21 and 12/2 SWP Regional Planning meetings to assess broader interest, as follows:
 - Data
 - Industry Engagement
 - Career Pathways

- Student Support Services
 - Non-Credit / Curriculum
 - There was a desire to have 2 representatives (1 AE and 1 Community College) from each Consortia participate in the 10/21 and 12/2 meetings with each Consortia agreeing on who those folks would be. See 10/21 meeting details below (12/2 details to follow once we know them :-)
 - We did not get time to discuss an organizational framework, but we did agree that 1-2 additional community college subcommittee members would be helpful. Thankfully, Thatcher Weldon and Mark Wade Lieu stepped forward to play that role! I will be in touch soon regarding a next subcommittee call
 - It was shared that the work of this group will be presented at the upcoming Adult Ed Summit including participation in a legislative briefing following the proceedings. Bob Harper and Jacques LaCour (our mighty subcommittee members) will be presenting on behalf of the group - much appreciation to Bob and Jacques!
- Lastly, we agreed it would behoove us to come together again before the SWP Regional Plan is finalized (deadline 1/31/17). To that end the subcommittee will vet dates from mid-Dec to mid-Jan in hopes of finding one that will work for a CALL. A save-the-date is forthcoming

Next Meeting: Thursday, Nov. 9th from 11am-12pm
