

Student Support AEBG WorkGroup

May 22, 2018

1-3 pm

1. Google docs show and tell. Janie drove us through the google drive process.
2. Summer Bridge - Summer Bridge at De Anza College- may do this for ESL - lower college ESL- ASE and HS students this summer- De Anza- is looking for feedback to assist us with who should attend this and how to assist our AE students. Students will need to test before entering the program.(AB705 is changing the way CC are assessing incoming students. More info to come- but all students will be placed in regular CC classes. They are looking for a name for their program.) Foothill Bridge is doing one for ESL only. De Anza Summer is still going to be called the Summer Bridge. Summer Bridge students will be able to connect with staff and have priority. Thus far the student who may enroll are younger students coming out high schools or special programs. This has been successful: A suggestion was made to hold somethings at De Anza / Foothill like a tour- and overview for the students. Evenings may be better than a Saturday. It was shared that most of the students who already have a degree and want to get a job. A daytime filled may be better. Foothill will offer some evening classes in the fall for our students.
Bridge class would be for : 4 days - 2 hours a day- the 2nd to the last week of Aug.
Please poll students by June 1- and let her know is we have any students email Felisa for the Summer Bridge program- Keep in mind students age and those who may wish to enter De Anza in the fall. Depending the results of the survey results Felisa will inform us for the next steps. For the future- De Anza would be to have this in place for summer 2019.
3. Is there a need for a separate Transitions meeting- AE or CC and AE or both? Previous discussion was to have Student Support meet as a group and AE meet after the meeting since there are new members. It was agreed that our Adult Ed transition advisors will meet when needed to support. A member mentioned that he would like to meet together with other transition advisors in the future or attend workshops where they are present.
4. School updates- per quarter meeting dates.-New Foothill- General Counselor- De Anza has a non credit auto tech program that will begin in the fall that will be free to AE students. 4 intro classes and then 3 additional classes. Students will be ready to get an entry level job. Spanish speaking tutors will be available paid by AEBG funds.
5. Discussion begin the process of AE to CC mapping- future idea- have students have the expectation and connect with CC rep. In the future.
6. Next meeting-
