

Student Support AEBG WorkGroup

June 19, 2018

1-3 pm

- Tour of FUHSD Adult School
- Mark your calendar: District Opening Day will be held on Thursday, September 20, at Foothill College. Leadership would like to have a presentation on data. The data will reflect the number of students sent to the CC from the adult schools. This may be powerful and a good eye-opening experience.

- Update from school sites FUHSD Adult School Higher level ESL students Palo Alto has had 2 successful classes for their transition students. They can focus on jobs or career focused. Anthony will share the flyer so we can share it with our students. The class is ½ on ground and online. The webinar part of the course is recorded and can be replayed. Janie is trying to contact Campbell Adult School to follow up on ESL tracking of students who test out of our programs via placement testing.

- Has anyone RSVP'd to this event? The Southwest Bay Counseling Collaborative (SWBCCN), Friday, June 29th 8:30 am. -3:30 pm- **5 members will attend.** z
- Work across agencies and between community college and K-12- adult school systems as an integrated cross-agency team. Today we will map out our process (scope of work) and then begin implementation by fall, so we can provide multi-agency integrated services to better support our students.
- FUHSD process that seems to work to transition to DeAnza is as follows:
 1. CCC apply & De Anza application (takes a few days for students to get their ID#)
 2. Complete FAFSA Application & student registers for placement test
 3. When they have completed their placement test they are done they are sent the link to register for an appointment with Felisa
 4. They let me know what time their appointment is and then I email Felisa to tell her what time the apt is and any other details that I feel would be helpful
 5. Felisa follows up with student prior to their appointment
 6. At the first De Anza College appointment Felisa usually gives a mini orientation to support the student.

Felisa will send out an email with more info: Summer Bridge - (Which is the 3rd week of Aug) Adult Ed- could we do something

as a mini orientation or have students attend this at the time of the FUHSD Workshops.

See you at De Anza College on Aug. 14, 2018 from 1-3 pm.
