For reference:(What Members liked / want more of:

- Time to talk/Share ideas (networking & breakout sessions) with other members from different agencies/programs serving adult students (supported consortium network) (#1 request)
- More time with my subject area & learn about General Pathways across institutions
- Encourage more teachers [to get] involved from the various AS + CC Programs
- Teachers need to be informed about opportunities and other agencies: take home handouts
- Sessions with visuals for all of us to see how we each support different students and contact points.

For reference: 2025 Summit Goal:

- Provide an update from previous plans and our outcomes/success (45 min)
 - State of the consortium (NSCCC Overview, TST Team, ELL Grant, Data Team)
- Gather input ON SURVEY from Internal Stakeholders on 3 yr plan (2025-26 to 2027-28)
- Build community & strengthen partnerships (1hr 50min)
 - How the members fit into the consortium's work: Program Specific & Cross Program Breakout Sessions: where are your students on the Student Journey Map & How can we help them move through it?
