

January CC Data Team Meeting

1/12/2026 / 10am-11:30am

Frequently Used Resources: NSCCC DataVission: College Data Team Work

Attendees:

Agenda

1. General Updates (10min)
 - a. Date to meet as a full team?
2. Current Projects:
 - a. Tracking adult school students (30min)
 - i. Update on CCCApply supplemental question & flagging students in Banner (30min)
 1. The request is still active
 - a. The project number is: PROJREQ-650.
 - b. David tried to transfer it - but could not
 - i. Jenée will reach out to David to cancel this request. This was for both colleges and now Foothill is proceeding on their own to get things going.
 2. Janie will reach out to Teresa and Valerie:
 - a. Put in project request with ETS
 - b. Check with Anthony about the next steps (its an AR & ETS procedure)
 - c. T & V Approve question in its current state
 - d. Fall is the new target date for the SQ to add to CCCApply
 3. When SQ is submitted, will responses from CCCApply automatically be in SZRCCAP or is that something ETS has to set up?
 - a. David never got confirmation on this
 - b. Wait until we have data from the SQ to find out more on this
 - ii. Sent email to the whole group on 12/12. Do we have any updates on if De Anza want to participate?
 - iii. CEAP Precision Campus
 1. Tracking DE & ELL Healthcare Grant students (COUN5, 403A/B, & 400)
 - iv. ETS ticket requests
3. Set next meeting date and agenda (10 min)

Tracking Students:

Students We Don't Know	Students We Know (CWI)
-------------------------------	-------------------------------
