

Consortium Office Hours Agenda for 3/31/2020

In an effort to join our community together, I'm offering consortium office hours to touch base with all members of our consortium. Please feel free to invite others to join the office hours by sharing this agenda and the original email or website link. This is a voluntary activity (i.e. not paid hourly rate) meant to support you in your individual, agency, and Work Group endeavors as well as bring us together to connect during this time of challenges.

1. Overview of the idea of "Office Hours"
2. Sharing: How is each agency coping with COVID-19 changes and online learning?
3. Information: Contra Costa Sharing: Apps and Options for online communication with students
4. Information: OTAN opportunities for training
5. Update on the Data Dashboard and the Leadership Board's recent decision.
6. Input: Poll about what topics should we cover in our office hours?
7. Plan: Work Group meetings in April and possibly May.
8. Anything else for the "good of the order."
