1. Textbook(-like)

- Pearson.com [Focus on Grammar](#)
- [Burlington English](#)
- [Ventures Arcade](#)

2. Board and Quiz Creation Tools

- [Padlet](#)
- [Quizziz](#)

Resource Descriptions and Evaluations

SECTION III

Ventures Arcade

Free

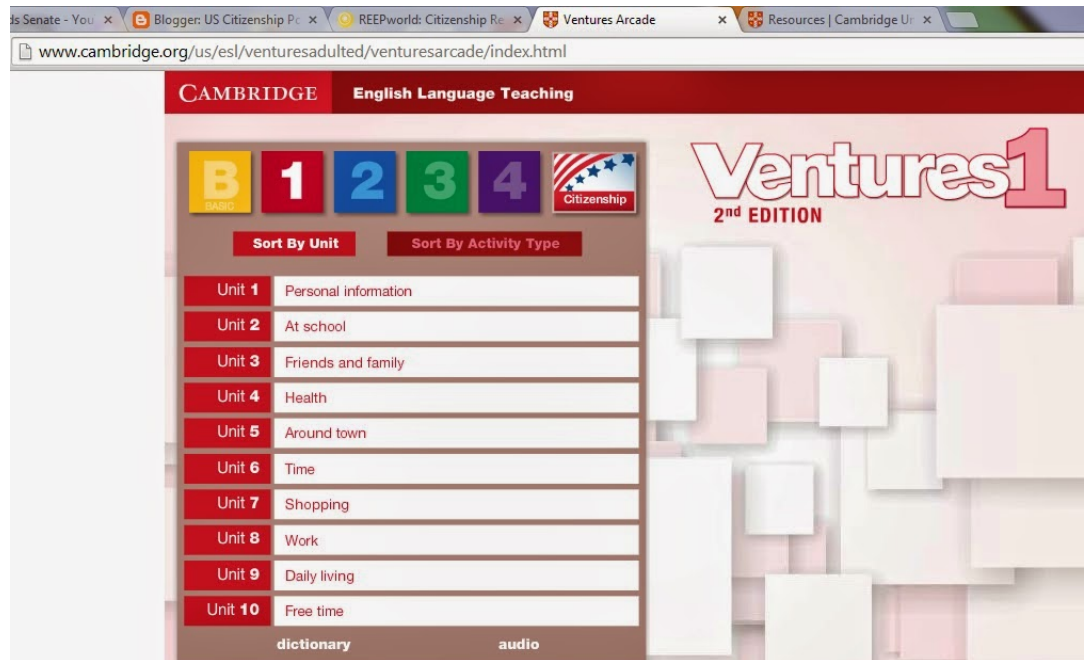

Robust (5 + levels B, 1-4 + Citizenship)

Interactive (Multiple Choice)

Easy to Access (just provide the link,
no login required)

Possible Uses: Use on first day(s) while
students learn how to access more
robust systems that require log-in.

Also can be use in programs which lack
,or have not arranged, funds for
textbook subscriptions, etc.

Burlington English

Interactive

Massive catalog Seven “levels” plus dozens of vocational ESL

Can serve as Primary text

Use: So well-suited for adult student needs at the lower level can replace a paper text.

Focus on Grammar and My EnglishLab (Pearson)

Massive. Has e-text, extensive videos and additional exercises. Can serve as the primary text for a course.

Tracks students progress. Shows how much time students have spent on specific activity, skill types, etc. Also scores.

MyEnglishLab

Now accessed via

English Portal

Padlet

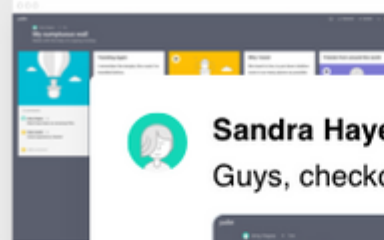

Padlet has an attractive look

Has an interactive Map function

Has attractive Wall/Tiles option

What do you think of my new padlet?

Sandra Hayes @sandrahayes

Guys, checkout my new padlet!

My sumptuous wall

Made with the help of a typing monkey

some

Quizziz

Interactive

Successfully “gamifies” activity. The scoreboard gives the competitive feeling like a video game.

Possible approach: To enhance the “video game” feeling(i.e. fast-paced), create tests which are “easy” e.g. clear, short question and one word answers.

IV. More Information

- Ventures, Burlington and Pearson has their own trainings.
- Quizziz and Padlet have been in OTAN trainings. Training are or will be available online on OTAN website. OTAN Powerpoints on some topics available at <https://otan.us/resources/covid-19-field-support/>
