ACCENT COLORS

DESIGNER COLLECTION

Accent Colors!

It's easier, and more affordable, than ever to design a kitchen with spice. JSI is now offering a limited selection of door styles and skus in today's most popular accent colors.

The full lines of Dover and Essex – in white – and Trenton and Yarmouth – in Ivory – are a perfect canvas for a contrasting color.

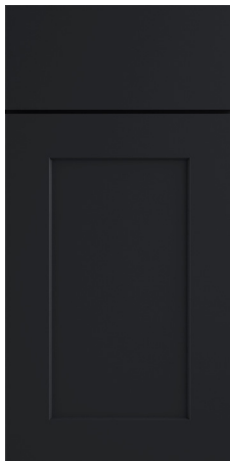

We've compiled a comprehensive collection of cabinets, end caps, posts and panels that can be combined in infinite configurations to create a unique focal point or island for every kitchen.

Design a kitchen in one of these six door styles, and spice up a few cabinets in any designer color from our new palette of accent colors: Greige, Sage, Light Gray, Augusta, Dark Gray, Charcoal, Royal Blue, and Navy.

Now, do your thing – combine elements of cabinetry to suit your taste, style and cooking habits. Just imagine the possibilities!
