

Innovated with Vision. Delivered with Excellence

PentalQuartz combines superior durability and long-lasting performance with a curated, designer-inspired color palette to bring you the world's finest engineered stone.

WHY CHOOSE PENTALQUARTZ?

- Our national distribution network promotes a stable supply and increased brand awareness that is backed by a flexible marketing support model.
- We focus on single supplier sourcing by color from proven manufacturers to ensure optimal product performance and exceptional aesthetics.
- PentalQuartz is made from quartz - not from glass or other unproven materials.
- An on-trend, balanced color palette leads to volume-centric competitive pricing, and enables our commitment to deep stock.
- Our ability to react to market disruptions quickly means we can maintain a stable supply of material for our customers.
- With a Limited Lifetime Residential Warranty, we stand behind our product.

Resistant to
high temps –
up to 300° F

Non porous
surface is resistant
to water, bacteria,
and mold

Anti-scratch

Anti-stain
