Heritage Air Flight School Nationality Documentation

U.S. citizens and nationals and Department of Defense endorsees. A flight school must determine whether an individual is a citizen or national of the United States, or a Department of Defense endorsee, prior to providing flight training to the individual.

U.S. citizens and nationals. To establish U.S. citizenship or nationality an individual must present to the flight school his or her:

- (i) Valid, unexpired United States **passport**;
- (ii) Original or government-issued certified **birth certificate** of the United States, American Samoa, or Swains Island, together with a government-issued picture identification of the individual;
- (iii) Original United States **naturalization certificate** with raised seal, or a Certificate of Naturalization issued by the U.S. Citizenship and Immigration Services (USCIS) or the U.S. Immigration and Naturalization Service (INS) (Form N-550 or Form N-570), together with a government-issued picture identification of the individual;
- (iv) Original **certification of birth abroad** with raised seal, U.S. Department of State Form FS-545, or U.S. Department of State Form DS-1350, together with a government-issued picture identification of the individual;
- (v) **Original certificate of United States citizenship** with raised seal, a Certificate of United States Citizenship issued by the USCIS or INS (Form N-560 or Form N-561), or a Certificate of Repatriation issued by the USCIS or INS (Form N-581), together with a government-issued picture identification of the individual; or
- (vi) In the case of flight training provided to a Federal employee (including military personnel) pursuant to a contract between a Federal agency and a flight school, the agency's written certification as to its employee's United States citizenship or nationality, together with the employee's government-issued credentials or other Federally-issued picture identification.

I certify that _____ (*print full legal name*) has presented to me

a _____ (*name of document*) establishing that they are a U.S. citizen or

national in accordance with the 49 CFF 1552.3 (h) above.
