

A Resolution: Asking GA Legislature to ban DEI

WHEREAS, the US federal government, in violation of our Constitution's 10<sup>th</sup> Amendment, is invoking concepts of Diversity, Equity, and Inclusion (DEI) into its agencies, big tech, private business, NGOs, and public schools; and

WHEREAS, meritocracy has been a linchpin of our Republic, and integral to our freedom and prosperity; and

WHEREAS, businesses ought retain autonomy in all aspects of human resources; and

WHEREAS, classes of citizens, quotas, preferential treatment, and manipulative language, such as disproportionate, underserved, et al, have a debilitating and destructive effect on our society; and

WHEREAS, "equity" posits both equal opportunity and equal outcome, and is irrefutably antithetical to our founding; and

WHEREAS, adoption of DEI would be a necessary step toward globalism, socialism, totalitarianism, and finally communism; therefore

BE IT HEREBY RESOLVED THAT the Delegates of this Convention urge the Georgia Legislature to pass legislation that bans any mandatory use of DEI and its suppositions and principles.

BE IT FURTHER RESOLVED THAT the Secretary of Georgia Republican Party Convention is directed to immediately transmit an appropriate copy of this resolution to the Chairman of the Georgia Republican Party and to all elected Republican officials in the Georgia Senate and in the Georgia House; to the Honorable Brian P. Kemp, Governor of the State of Georgia, the Honorable Burt Jones, Lieutenant Governor of the State of Georgia, and to the Honorable Jon Burns, Speaker of the House of Representatives.
