

A Resolution Calling to enforce our Immigration laws

Whereas, a nation can only be as strong as its borders, and;

Whereas, since 2021 over 150,000 people have died from Fentanyl overdoses that have illegally entered our country through our porous southern border, and;

Whereas, Over 5,000,000 people have illegally entered into the United States through our southern border since the Biden Administration came to power, and;

Whereas, drug cartels, human traffickers, and other criminals have taken this opportunity to seize advantage of the lack of enforcement of our borders and openly resumed their operations, and;

Whereas it is the Duty of the Chief Executive of the United States and his subordinates to ensure the safety and security of our borders as a sovereign nation; therefore,

BE IT HEREBY RESOLVED the Delegates of this Convention demand that the GA Legislators insist the federal government enforce effective immigration laws.

BE IT FURTHER RESOLVED THAT the Secretary of Georgia Republican Party Convention is directed to immediately transmit an appropriate copy of this resolution to the Chairman of the Georgia Republican Party and to all elected Republican officials in the Georgia Senate and in the Georgia House; to the Honorable Brian P. Kemp, Governor of the State of Georgia, the Honorable Burt Jones, Lieutenant Governor of the State of Georgia; and to the Honorable Jon Burns, Speaker of the House of Representatives.
