## Straight Up Psychological Services Fees

As at 21 March 2026

| Service   | Fee   |
|---|-------|
| <b>Therapy</b>  |       |
| 50-minute session   | \$220 |
| <i>Medicare rebate of \$98.95 available with a valid referral</i> |       |

### Assessments

A deposit is required to secure assessment bookings. This reflects time allocated to the initial and assessment appointments and is not fully refundable in the event of late cancellation or non-attendance.

#### **ADHD Assessments**

|                       |        |
|-----------------------|--------|
| Child ADHD Assessment | \$1300 |
| Adult ADHD Assessment | \$1400 |

#### **Autism Assessments**

|                         |        |
|-------------------------|--------|
| Child Autism Assessment | \$1600 |
| Adult Autism Assessment | \$1500 |

Combined Autism & ADHD Assessments (Child, Adolescent & Adult) \$2200

Cognitive (Intellectual Capability) Assessments (Child, Adolescent & Adult) \$1300

*Child assessments are offered to verbally fluent children aged over 6 years*

*Autism and ADHD assessments do not include assessment of intellectual capability or tests of academic strengths and weaknesses. If these tests are required, please ask for a revised quote.*

*Please enquire for assessments that are not listed.*

All quoted fees are exclusive of GST.

Services requested by third parties (e.g. employers, educators, lawyers) are subject to GST.
