

## TO SUPPORTERS:

U.S. Express Track Club is a 501 (c) 3 Organization created in 2008 with a mission of helping athletes to be their very best by emphasizing discipline, dedication, motivation, team work through athletics and healthy living. We are one of the largest track and field organizations within the State of Louisiana with groups in Baton Rouge, Lafayette and Lake Charles with athletes ranging from 7 to our current oldest of 88.

U.S. Express aspires to help athletes realize and achieve their goals through athletics while motivating and mentoring them to become independent, strong achievers to the best of their abilities. We strongly emphasize self-efficiency in their health and nutritional choices early in order to minimize or prevent health issues that occur because of sedentary lifestyles.

As an organization, we have been able to accomplish the following:

- 10 - National Junior Olympic Champions
- 8 - USA Masters (Age 30-104) National Champions
- 77 - Youth National Championship All Americans (Top 8 finishers)
- 33 - Adult National Championship All Americans
- 37 - Youth athletes received college scholarships
- Served as host to over 45 track meets

U.S. Express provides many underserved athletes the ability to travel and experience other cities of which they may not have had the opportunity if not for Track and Field. Our club philosophy is to give every athlete the opportunity to compete regardless of athletic ability and financial status. However, we need your help financially to support our club and more importantly the athletes that may not have the financial ability to cover cost.

Enclosed with this letter is our fundraising form, I humbly ask that you consider assisting in any capacity; a child's life will be impacted for the better.

Again, we thank you for your assistance and May God richly bless you.

Sincerely,  
Coach Byron Turner
