

TO SUPPORTERS:

We are a 501 (c) 3 Organization with a mission of helping athletes to be their very best by emphasizing discipline, dedication, motivation, team work through athletics and healthy living.

U.S. Express aspires to help athletes realize and achieve their goals through athletics while motivating and mentoring them to become independent, strong achievers to the best of their abilities. We strongly emphasize self-efficiency in their health and nutritional choices early in order to minimize or prevent health issues that occur because of sedentary lifestyles.

U.S. Express provides many underserved athletes the ability to travel and experience other cities of which they may not have had the opportunity if not for Track and Field. Our club philosophy is to give every athlete the opportunity to compete regardless of athletic ability and financial status. However, we need your help financially to support our club and more importantly children that may not have the financial ability to cover cost.

This year our major expenses are youth National Championship in Greensboro, NC; Adult National Championship in Lexington, KY and Adult World Championship in Finland. Your support will allow athletes to embrace an opportunity to travel and experience track and field on a large scale.

Enclosed with this letter is our fundraising form, I humbly ask that you consider assisting in any capacity; a child's life will be impacted for the better.

Again, we thank you for your assistance and May God richly bless you.

Sincerely,
Coach Byron Turner
