## Pricing and Availability

Call or email TEXAM Associates to find out pricing and availability for any of these products.

While this brochure highlights our most popular items, it doesn't cover half of the products we can procure for you! If you don't see the product you are interested in, give us a call and we will find out pricing and availability for you.

We can create customized orders based on your needs. Whether you are purchasing based on quality, cost, or quantity, we can create a shipment that fits your requirements.

## TEXAM ASSOCIATES
