Thanks to all the members who visited the schools and nursing homes and to all who joined us to celebrate our Veterans on Veterans Day. Thanks to Cookie for the food donations and the Ladies Auxiliary for sponsoring the day.

There is not much left of 2025 so join us for one last fundraiser on December 6th: The Country Christmas Dinner and Dance. Tickets are \$20.00 and reservations are a must. Call the Post or Nancy for tickets.

Our family wishes your family a Happy Thanksgiving.

Jim Babitsky - Commander

Chaplain

This month I am dedicating my entire Chaplains submission to a prayer commemorating Veterans Day.

Heavenly Father, we ask you to be with us here as we celebrate Veterans Day. We honor some of the strongest, brightest, and by far the most courageous people that you have ever put on this earth. We honor the men and women from the Army, Navy, Air Force, Marines, and the Coast Guard.

We ask you Heavenly Father to send your spirit down upon us and bless each and every one of us.

There were many days that we did not even have a chance to think about you Heavenly Father, yet you always had the time and still do have time to be by our side.

As we sit here this Veterans Day, let us not forget the friends and family members that have gone before in the time of war. As we look back at our memories of the times that we served, I am sure that you knew someone that lost their life in the time of war. We pray for them today. As we look back at all the sacrifices that we made, we know Heavenly Father that you were with us through each and every one of them. Amen.

Gary Schuld - Chaplain

Auxiliary

First, I want to remind all you ladies how much I appreciate you and how much you do to keep this Auxiliary going. Don't forget the Annual Country Christmas Dinner and Dance is coming up for the Post on December 6th. If you know anybody that would like to join us, please offer to sell them tickets. If you would like to make a basket or help with serving during the event, please let myself or Cliff know.

The Children's Christmas party, I believe, is on Sunday, December 14th. This is free for children ages 12 and under. Please give us the child's name, age, how they are affiliated with the Post or you, and three gift ideas under \$20 so they can get something they really want.

Our Ladies Auxiliary Christmas will be a mystery potluck. I will provide the main meats. If you would like to join in the gift exchange, please bring one gift wrapped but not marked and valued at \$15 or less. Please do not bring items of clothing or anything used as it is not fair for those who may not be able to fit into the clothing or have purchased something new and then receive something used. Remember ladies, courtesy counts.

Looking forward to seeing you all when I get back. In the meantime, God bless and take care.

Cindi Johnson - President

Sons of the American Legion

Please plan to attend our next meeting which will be on Wednesday, December, 17th at 7:00 P.M.

Our meeting attendance continues to be a challenge. Thanks to those members who come to the meeting each month. I encourage all members to attend our meetings and to participate in the Legion Family.

There are several Post events still to come in 2025 that I'm sure you would enjoy. We would enjoy seeing you and having you join us.

If you know anyone who is a male descendant of a Veteran, please consider asking him to join us. All are welcome.

Dennis Lowry - Commander

IT Report

Support for Windows 10, Office 2016, and Office 2019 ended on October 14th. This means that security and feature updates will no longer be provided by Microsoft which could lead to a vulnerability in your software.

We have a **small number** of Windows 11 Desktops available for donation to Veterans and Veteran's families. Please note that we only have the computers. We do not have monitors, keyboards, or mice. If you are interested in obtaining one of these units, please send an email to legionpost738@yahoo.com. *We will respond as time permits.*

There have been a large number of scams reported in the last few months. Banks or credit card companies will not call you or pop-up messages on your PC directing you to withdraw cash from your bank. Additionally, any pop-up on your PC indicating your PC is compromised, unless from an antivirus you installed, is almost always a scam. If you are not sure, please contact me.
