Every Third Saturday - Karaoke Night

Due to scheduling issues there will be no Karaoke in December. Karaoke will resume in January.

2026 events will be posted in the New Year.

Commander's Corner

As 2025 comes to a close, I want to thank all who made the Post successful in 2025. The Post exists with the support of its Legion members, Auxiliary members, Rider members, SAL members, and those who attend and support our events and functions. Each event takes a lot of time and effort by all our members. Please continue this effort in 2026.

Events for 2026 will be posted in the new year.

My family and I want to wish everyone a Merry Christmas and a safe and healthy New Year.

Jim Babitsky - Commander

Chaplain

As your Post Chaplain, I wish all of our Post Family peace, good will, and a very Merry Christmas.

As all that have served well know, the holiday season is hard on our military men and women being away from home. Especially for those who are in harm's way.

Please continue to pray for those who honorably serve.

Christmas greetings were sent to our Post family widows, and to those now in Assisted Living.

I ask all of you, if you know someone suffering in spirit, mind, body and soul, please urge them to seek help.

Help is out there.

Gary Schuld - Chaplain

Auxiliary

Wow! Can you believe that 2025 is coming to an end? Where did the year go?

I just need to say again how much I appreciate my Auxiliary the teamwork that we show and the compassion that we put into it is just amazing! I would name each one of you by name and what I most appreciate about you but I'm afraid I might forget one person and I don't want to hurt anybody's feelings so just know that I love you all.

The children's Christmas party is coming up on the 14th and it looks like we'll have about 19 children this year. So many of them have grown up and are too old to participate, but we love them just the same.

There will be no karaoke in December but it will resume in January. I hope to see you all there.

God bless you all and your families during the Christmas season, and always. May you all have the happiest, healthiest, wealthiest, blessed New Year.

Cindi Johnson - President

Sons of the American Legion

Please plan to attend our next meeting which will be on Wednesday, December, 17th at 7:00 P.M.

Our meeting attendance continues to be a challenge. Thanks to those members who come to the meeting each month. I encourage all members to attend our meetings and to participate in the Legion Family.

There are several Post events still to come in 2025 that I'm sure you would enjoy. We would enjoy seeing you and having you join us.

If you know anyone who is a male descendant of a Veteran, please consider asking him to join us. All are welcome.

May you and your families enjoy the merriest of Holidays and a Happy New Year.

Dennis Lowry - Commander

IT Report

We have a **small number** of Windows 11 Desktops available for donation to Veterans and Veteran's families. Please note that we only have the computers. We do not have monitors, keyboards, or mice. If you are interested in obtaining one of these units, please send an email to legionpost738@yahoo.com. ***We will respond as time permits.***

There have been a large number of scams reported in the last few months. Banks or credit card companies will not call you or pop-up messages on your PC directing you to withdraw cash from your bank. Additionally, any pop-up on your PC indicating your PC is compromised, unless from an antivirus you installed, is almost always a scam. If you are not sure, please contact me.
