

Umpqua Valley Golf Association

May 8th Tokatee Results

Sporting some of the fastest greens ever played by many, this was an event like no other.

A great day it was. Mr. Bob Wood made it even better by making the Umpqua Valley golf associations first ace on hole number 11. Congratulations! Hole in one insurance was in play so it's time to renew your \$5.00.

Competition was tight, there were many scores just one or two strokes out of cashing. Every shot counts!
