Why join?

Our Association promotes golf events both at home and at other courses. Our home course is designated as Myrtle Creek Golf Course. By joining the association, you will receive your OGA membership, as well as eligibility to play in any of our events. By having an established handicap, you are now eligible to play not only in our events, but in events all over the world. We keep you informed with emails of events.

What events do we have?

We promote league which is currently held on Wednesday (9 holes 4 person teams). This starts in April and will run through August. We have Tuesday "Association day" events each week. These usually start around 9:00 am and will be 18-hole events. A tournament schedule will be set and posted. These may run once a month as the schedule allows. We also have a wonderful club championship which is to be held in late June this year. Another huge event is our November "Turkey Shoot" where every entrant receives a turkey. Hole in one insurance for \$5.00 is another fun wager. If you happen to make that magic ace during one of our events, you win the cash pot. Get an ace and you didn't pay; you don't win the pot.
