### Why join?

By joining this association you will receive your OGA membership/handicap and eligibility to play in any of our events. With an established handicap you are also eligible to play in events all over the world. We keep you informed with current emails and our member only list makes it easy to find playing partners and information when you are in need. Our association gives back to its members. **Sign up (2) new members and get your next one day competition fee paid!**

### Events

The UVGA promotes golf events both at home and at other courses. You may find these listed on the website and you will receive email notices. We also offer a league which is currently held on Wednesday starting at 5:00/5:30 (9 holes). League will be starting in early May this year.

Our two day club championship is held in September. This event has flights, stiff competition, and plenty of fun. More serious in nature, this is one you don't want to miss.

Hole in one insurance is available as well. \$5.00 gets you in and the pot builds until someone gets an ace during one of our events. A new pot will then be created starting at \$250.00 and you must pay \$5.00 to be active once again. **"NEW THIS YEAR"**, each event that we host will have a door prize of \$30.00 credit to the pro shop of the course we are visiting. This will be a random draw from players participating in the event. Also new, the UVGA "Ryder Cup" where players accumulate points during the season for participation and placing in the standings. The top 24 players will be eligible. Read more on the website.
