

Old Tom Morris Society of Golfers

*“We honor the golf course, the superintendent
and the architect.”*

We see a pitch mark, and fix it.

We see a messy bunker, and rake it.

We see a naked divot, and fill it.

Our mission is to improve golf course conditions with proper golf course etiquette. If you have members at your club who want to improve the course, contact us for more information about starting a local chapter. Please contact: eposey@poseyfoundation.org
