

The BC Cares Fun Run/Walk Benefiting Kisses for Kyle

Presented by The BC Cares Youth Council

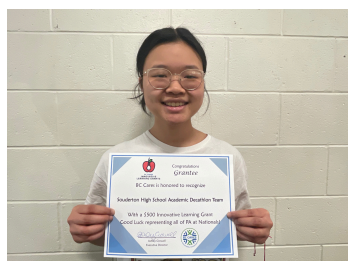

The BC Cares Youth Council has been working on one of the main objectives of their membership: Planning a Community Event!

Register Here:

The Council has elected to create a Fun Run/Walk/Roll where all proceeds will go to Kisses for Kyle Foundation. This organization provides direct support to families battling childhood cancer. The event will be held at Broad Commons Park in Doylestown on June 1st, 2025. Their goal is to raise \$700, please support their efforts either through registration, or the food drive they will also hold at the event!

Registration: \$10 individual, \$20 for a Team of 5. Checkin will begin at 9:15am on June 1st, with a race start time of 10am. See you there!

ILG Spotlight: Souderton HS Academic Decathlon Team represents PA at Nationals

Last month, BC Cares was approached by the students of the Souderton High School Academic Decathlon Team. They had recently won at the PA State competition, and were trying to get the resources together to get their team to Nationals. BC Cares awarded their team an Innovative Learning Grant to assist with their mission!

The school performed admirably, earning the following 12 medals:

Giovannie Lervolino: 5
Ahsan Rahman: 3
Maddy Zhang: 3
Jaden Njuyen: 1

It was reported to us that several of these students were flying for the very first time to the event, held in Des Moines, IA. The value of participating in this national competition and the experience it gave to the team is something we love to see!

Souderton team, way to represent the state and students of Pennsylvania!

Upcoming Events!

There are lots of great upcoming events, please see below for information:

5/9 - Grand Opening for Brookwood EI's new outdoor classroom space

5/29 - The BC Cares Spring Award Ceremony honoring Boomerang Winners, Scholarship Recipients, and ILG Recipients

6/1 - The first annual BC Cares Youth Council event: a Fun Run/Walk benefitting Kisses for Kyle (see above for details)

6/14 - Juneteenth at The Mercer: They are looking for youth artists and crafters, please reach out for additional information!

Souderton HS students from Day 2 of the Academic Decathlon National competition, held in Des Moines, Iowa.

ILG Spotlight: Special Equestrian Field Trips for Linden El Students

This past Fall, BC Cares received an ILG application from Jennifer Lambert, the ES teacher for Linden El in CBSD. She requested

horse experiences, as they can be an important SEL booster for students with learning differences. BC Cares was honored to award an ILG to support regular field trips for the students in this academic year.

We were so happy to have some photos shared from their most recent trip, and are proud to support this enhancement to their curriculum.

A Note from the ED...

Last week, The YWCA of Bucks County hosted their annual Until Justice Just Is panel event. BC Cares was proud to be a Community Sponsor. I was glad to be there and listen to Important Voices doing Important Work. As we continue to move through these days, it is food to the soul to listen and learn from social justice advocates
