

Dear _____,

My name is _____, and I am writing as a fellow Christian, asking for your help. As you may have heard, HB 25-1312 and SB-284 are making their way through the Colorado legislature. These bills are an attack God-given liberties and ability to raise our kids in the ways the Lord requires.

The representative of your area, _____, has been identified as a possible "swing" vote that could decide our fate. We respectfully call on you now to reach out to them and encourage your people to do the same, in order to stop this Godless assault on Colorado families.

We know that fights like this are not fun, nor comfortable, but in the tradition of brave, courageous models like Moses before Pharaoh, Elijah on Mt. Carmel, and Nehemiah before Sanballat, we call on you now to rise with us and speak boldly. The hour is late, and you are needed. The fate of all Colorado families may rest on your willingness to do so.

"Silence in the face of evil is itself evil. God will not hold us guiltless. Not to speak is to speak. Not to act is to act."

Respectfully, and in Christ alone,
