

EQ-i 2.0 Leadership Report

Links a person's self-evaluation of their emotional intelligence to their leadership potential.

Provides a comprehensive overview of how the person's emotional intelligence compares to that of other leaders and gives insight into their leadership strengths and areas of development.

Unique Features:

- ★ A Leadership Potential Page
- ★ Explains how your client's EQ-i 2.0® results impact their functioning in four key leadership competencies.

Leadership Bar

- ★ Highlights how your client's scores fare in comparison to top leaders.
