

Leadership EQ 360 Report

A multi-rater report that helps you view your client's scores through a leadership lens. This report is the most comprehensive examination of a leader's emotional intelligence. Provides an in-depth look at EI strengths and weaknesses through the lens of leadership. Compare how your client sees themselves with observations from others, offering a complete 360-degree perspective on your client's EI profile.

Unique Features:

- ★ Profile Gap Analysis
Identify blind spots, allied strengths, and developmental opportunities.
- ★ Rater Response Summary
Easy to interpret one-page summary of responses from all rater groups.
