THE BELMONT WINE PROGRAM

WHERE EXCELLENCE MEETS EXPERIENCE

Belmont was built on a promise — to create a dining experience defined by intention, craftsmanship, and an unwavering respect for ingredients. Under the leadership of Michelin-Starred Executive Chef Alex Stratta, the culinary philosophy at Belmont celebrates balance, restraint, and technique. Every dish begins with sourcing. We choose purity over convenience, quality over compromise, and flavor over trend. From Argentine beef and Atlantic turbot to seasonal truffles, imported European cheeses, and produce selected at peak freshness, our kitchen honors the world's finest ingredients with precision and purpose. We cook with integrity — a seed-oil-free kitchen committed to respecting the craft and elevating what nature provides.

The Belmont Wine Program is a natural extension of that philosophy. Curated by Kyrri, Certified Sommelier with the Court of Master Sommeliers, our selections are as thoughtful as the cuisine they accompany. This wine list was built not to impress with labels alone, but to tell a story — of terroir, heritage, winemaker vision, and the harmony between plate and glass. Every bottle earns its place. Whether a benchmark Champagne, a Burgundy with history in its soil, or a small-production Napa cabernet made with conviction, our collection is designed to elevate the dining experience without overshadowing it.

At Belmont, food and wine are not separate luxuries. They are a dialogue. A pairing of flavor and emotion — crafted for the guest who values legacy, artistry, and the pursuit of perfection. We welcome you to explore, discover, and indulge in the experience we've created with pride, discipline, and heart.
