

WAC-1X 1 Panel Wall Mount Enclosure

Our traditional 1 panel wall mount enclosures accept one LGX compatible fiber adapter panel, recessed within the enclosure. Wall mount enclosures are the great for splicing fiber in wall mounted applications or locations. Made from cold rolled steel these enclosures are sturdy, protect fiber components and provide a way to organize/manage and protect fiber cables in wall mounting areas.

- Powder coated black texture is standard, other colors available on request
- Accessory Pack and ID Card included
