WAC-2X
2U Wall Mount Enclosure

Our 2 panel wall mount enclosures accept two LGX or CCH compatible fiber panels. Wall mount enclosures are the perfect enclosure for splicing fiber in wall mounted applications or locations. Made from cold rolled steel these enclosures are sturdy, protect fiber components and provide a way to organize/manage and protect fiber cables in wall mounting areas.

Classic style 2 panel wall mount body style. Compatibility with LGX and CCH style fiber adapter panels.

- Powder coated black texture is standard, other colors available on request
- Accessory Pack and ID Card included

Dimensions:

Width: 9.25 in
