

Venue Rental & Tours at the Pine Hollow Arboretum

2021 FEES

We are the perfect venue for small lunch groups, birthday parties, and even weddings. Not to mention, a visit to the Arboretum shouldn't be without a tour. We have enough folding chairs and tables to accommodate up to 50 people. Depending on your groups needs we can set you up in several areas of the Arboretum.

Please note, at this time there is NO access to the Visitor Center, meaning there is only outdoor space available. Electricity is not available, and one handicapped accessible porta-john is available for use. We can offer three, 10x10 sized tents for your use. Fees include set-up and teardown.

We will work with you! Contact us to coordinate an event for your group!
