

TOMBALL MEMORIAL HIGH SCHOOL MARINE CORPS JROTC

Thank you for your consideration in sponsoring the TMHS Marine Corps JROTC program. By becoming a sponsor of this program, you are assisting us in reaching our program objectives, which are: to teach leadership skills and the importance of strong moral character; to develop a sense of pride and discipline in the individual cadet; and to give cadets an appreciation for and teach the responsibilities of being a United States citizen. The result is a responsible young adult, representing themselves, the school, and the Tomball community in a positive light.

I am positive you have seen TMHS MCJROTC Cadets out in the Tomball community. Whether it is performing a Color Guard at a football game, marching in the Holiday or Rock the Block Parade, or volunteering at one of the many community service events held in Tomball. At any one of these events, you will see that our Cadets are highly professional, portray a positive image, and execute their duties in an exceptional manner. But that is only half the picture. Last year our Drill Team won every one of the local meets we participated in, won the Region 5 Championship competing against Marine Corps programs from seven states, and earned 2nd Place at the Marine Corps National Drill Championship held in Washington D.C. These cadets spend countless hours practicing and preparing for competition, and have put our school on the map as a powerhouse in the nation in Drill.

Your sponsorship is key to the continued success of this program. Sponsorships helps to offset travel costs for cadets to drill competitions, provides funding for summer Leadership Camps, assists in maintaining the equipment and uniforms of cadets for competition, and many other essential initiatives. Know that as a sponsor, your business/organization will be proudly represented by our cadets in the many local and national events in which they participate. Thank you for assisting us in making responsible young leaders for our community and the nation.

Semper Fidelis.

Donations are imperative to growing and maintaining our program. Your donation will go to help fund cadet travel to competitions, summer leadership camps, and to provide opportunities for all of our cadets regardless of their ability to financially contribute. In addition, it will help to fund our Nationally Ranked Competitive Drill Team and Color Guard as they head to both Marine Corps Nationals and All Service Nationals. With your support we will continue to turn students into responsible young leaders for our local community and our nation.
