It all began in 1869. Dupuy's was established by Joseph Dupuy in 1869. Mr. Dupuy harvested his own oysters and sold them for 5 cents a dozen. Joseph started a tradition, which would continue through three generations. Dupuy's has enjoyed over 146 years of success in its original location. World-famous for the oysters on the 1/2 shell and outstanding seafood, Dupuy's is continuing the tradition through its local ownership.
