## TRIP PLAN APP

- You will receive an email from Trip Plans App so that you may view the soft copy of your itinerary. In order to access it you will need to download the App. If you are unable to locate it, please let me know and I will resend it.

## WHATS APP

- WhatsApp allows you to make phone calls and text for free over WiFi.

## MAIL HOLD

- Put your mail on hold until after you arrive home from vacation. A massive amount of mail in your mailbox is an easy indicator of your absence. Here's the link for your convenience.

## AUTOMATIC TIMERS

- While you're away, you want to give the "feel" that someone's home. So visit your local hardware store and purchase a few lamp timers. Set them to turn off and on a certain time.

## CHECK YOUR PASSPORT

Please! Whatever you are doing now - STOP! Go and look at your passport and make sure you have at least three blank pages and more than 6 months before expiration from date of return. If not...get the expedited service and renew your passport!

## MEDICATION

- Make sure your medication prescriptions are up-to-date and you have enough to last while you're away! The LAST thing you want is to run out of your medication while you're away.

## AIRLINE

- If you have not done so, it is recommend that you create an account with the airline for your flights so that you may earn miles/points on your upcoming travel. The easiest way to do this is to access your itinerary using the Airline Reference located on your itinerary, your FirstSecondName and your LastNameJrSr and then joining the respective programs. Additionally, you will be able to upgrade your seats should you want to. Once you have your member number, please provide it to me and I will add it to your profile for further trips.

## ONLINE ACCESS

- *Your flight itinerary and/or check-in may not be available and may require you to check in with the gate agent so that they may physically see your passport. If you are checking bags, this would be required anyway. No need to panic, just be sure to arrive at least 2.5 - 3 hours before departure.*
- *Please check the rules for luggage on the airline's website.*
