SCHOOL BUS PROGRAM

PROGRAM OVERVIEW

This program provides structured discounts on purchases of school bus tires.

ELIGIBILITY

These discounts are designed specifically for school buses who transport school-aged children including: private companies contracted with a city or buses for non-profit educational or religious schools.

To receive pricing, companies must be F.E.T. exempt and provide IRS Form 637 exemption code.

F.E.T. EXEMPTION STATUS

Purchases on this program are exempt from Federal Excise Tax.

BILLING

Process billing on your local books - customer pays at time of sale. Credits and commissions will be processed the same as government transactions using price book 7100.
