A whimsical illustration of a dog, possibly a pit bull mix, running through a forest. The dog is wearing a plaid shirt and a collar with a bell. It is running towards the left, leaving a trail of motion lines behind it. The background is a dense forest with various trees, including one with large, round fruits (like apples) and another with small, round fruits (like berries). The sky is a solid blue color. The text "Walk away" is written in a large, white, serif font across the middle of the image. Below it, in a smaller, white, sans-serif font, is "KARMA'S EYES PSYCHIC, LLC".
