Impact Statement

Banks Electrical & Solar are committed to leading the industry in safety, workforce training and customer satisfaction.

Core Values

Banks Electrical & Solar will conduct all activities upon the basis of these core values. All employees commit to these values as essential characteristics of good business and professional conduct.

The core values that form the foundation of Banks Electrical & Solar are:

- **Safety**
We want EVERYONE to get home safely, every day
- **Integrity**
We operate with honesty and respect
- **Quality**
Appropriate solutions completed with the highest standards
- **Attitude**
Approaching every job with an open mind, making great first impressions giving our customers belief in our abilities
- **Cleanliness**
To buck the trend of the typical "dirty electricians". We keep our sites clean during work and leave them cleaner than we found them

Our Vision

Our vision is to become the desired electrical company that people want to work with and work for.
